# BELPASSO®

BRILLIANT, MODERN & UNPARALLELED

**B**elpasso® features several proprietary manufacturing technologies that make it the most suitable paver for high-traffic urban installations. TitanTec™ and EasyClean™ are the technologies that have made Belpasso so popular for use in municipal, commercial and residential applications throughout Europe. These features are also what make Belpasso's ceramic-like surface so durable, so brilliant, and so maintenance-free. Belpasso resists dirt, algae, stains and even the adhesion of chewing gum ensuring that your installations continue to look brand new for years to come.

## PRODUCT TECHNOLOGY

### EasyClean™ Stain Resistance

An integral surface protection that allows for easier cleanup of spills when they happen, and before a stain can develop.

### TitanTec™

A proprietary technology that makes the surface virtually impenetrable to dirt, grease and oils.

## ENDURACOLOR™ PLUS

### A NEW STANDARD FOR EVERLASTING BEAUTY.

EnduraColor™ Plus products promise long-lasting beauty through a **proprietary blend of exclusive and superior ingredients**. A complex blend of granite and quartz, some of nature's highest performing minerals, are combined with non-fading color pigments that hold fast under UV light and extreme weather conditions. This combination is used to create ultra-realistic surface textures and unique style options that are exceptionally durable.

Unilock® provides a Transferable Lifetime Guarantee on the structural integrity of our paving stones, slabs and retaining wall units for residential use. Any materials installed and maintained to our guidelines, and subject to normal wear, that prove defective, will be replaced without cost. Color matching cannot be guaranteed and replacement labor is not included. Registration is required.
